IT'S THE LAW.

It is now illegal to store/ keep / or write down customers card details.

As per the Terms & Conditions of Hire, a deposit is required when hiring equipment.

The MINIMUM Deposit Required is shown on our Price List. A higher deposit may be required dependent on possible length of hire.

A Cash or Card Payment for the Deposit is required BEFORE the commencement of hire. On completion of hire, any refund due will be paid in the same way. Be aware – the card processing system can take up to 10 working days to put your money back on to your card, if you cannot afford to wait that long, pay the deposit in cash and you will get an immediate cash refund on completion of hire.

The required format to hire a digger, dumper etc, = Cost of hire including delivery, collection & fuel + £500 up front by cash or card.

To avoid leaving a large cash or card deposit for the hire of diggers, dumpers etc. you can pay for the hire up front and leave your vehicle log book * & spare key as deposit for the duration of hire (*must be registered in the hirer's name).

The maximum distance that we will hire and deliver equipment that requires transportation by trailer (diggers, dumpers etc.) Is within a 10-mile radius from base. South of the Tyne from South Shields to Dunson – to Stanley – to Bowburn – to Wingate – to Horden. Deliveries will not be made beyond this radius as the logistics of resolving issues caused by break downs or operator error are not viable. It is in the hirer's interest to source such equipment from the nearest supplier to site as possible to avoid lengthy down time in the event of having to call out the hire company for assistance.

Every reasonable care is taken to ensure that all hire equipment is supplied clean, in good working order and fit for purpose. It is the hirer's responsibility to use the equipment appropriately, store it securely and return it in the same condition. Costs for cleaning, repairing damages or loss of equipment are at the hirer's expense.

Hire Me Tool Hire Ltd are not liable for any third-party costs in the event of a machine/ equipment break down.

Valid I.D. required when hiring equipment, any two of – Driving Licence/ recent utility bill/ bank or card statement. Must have current name and address. Passport, bus pass etc not acceptable as they do not have your address.
